****SUBSIDY FOR CATHOLIC STUDENTS:** St. Joseph School partners with three local parishes to offer a discounted tuition rate in the form of a predetermined subsidy amount per student. Subsidy is based on parish membership and involvement (time, talent and responsible tithing) at St. Joseph, St. Michael, or Our Lady of the Shoals parishes. To be eligible for subsidized tuition rates, each year families **must complete the Parish Verification Form (see Religious Affiliation form)**. The school will print and submit the completed online form to your pastor for his approval. The school has no authority for approval of subsidy.
